
AMERICAN LEGISLATIVE EXCHANGE COUNCIL

MEMORANDUM

TO: MEMBERS OF THE INTERNATIONAL RELATIONS TASK FORCE

FROM: KARLA JONES, TASK FORCE DIRECTOR

DATE: July 1, 2010

RE: 35 DAY MAILING—2010 ANNUAL MEETING

The American Legislative Exchange Council will host its 2010 Annual Meeting **August 8 - 8** at the **Manchester Grand Hyatt in San Diego, CA**. The **International Relations Task Force** will meet from **9:00am to 11:15am on Thursday, August 5**.

To that end, I've enclosed the following:

- Annual Meeting Agenda-at-a-Glance
- Registration and Housing Form for Attendees
- Registration and Housing Form for Spouse/Kids
- Scholarship Policies by Meeting
- Task Force Meeting Tentative Agenda
- Minutes from the Previous Task Force Meetings
- Drafts of Resolutions to Be Introduced
- ALEC Mission Statement
- ALEC Task Force Operating Procedures
- Other Items of Interest

Additionally, Senator Curt Bramble is currently sponsoring three resolutions, and we genuinely appreciate his support for increasing our roster of sound policy! He definitely wants to keep the resolution on Georgia as well as the one on Counterfeit Pharmaceuticals, however, he would be happy to transfer sponsorship to any other member that might be interested, of the resolution amending ALEC's current Resolution in Support of Final Ratification of a US-Colombia FTA. We want to bring this resolution up to date, as the Colombian Embassy uses our resolution in their promotional materials, and we believe that this is a good way to highlight the issue. Please contact me, if you would like to sponsor this resolution.

I look forward to seeing all of you next month, and if you have any questions or need anything further, do not hesitate to contact me at 202-742-8518 or by e-mail at kjones@alec.org.

All the best,

Karla Jones
International Relations Task Force Director

Welcome and Introduction

Mr. David Powers welcomed everyone and called the meeting to order.

Speakers and Discussion

Mr. Chun Fu Chang gave a talk on **US-Taiwan Relations** outlining mutual challenges facing both countries such as job creation, economic recovery and reducing green house gas emissions. Mr. Chang called for strengthening the bilateral trade relations with the U.S. and highlighted the importance of further formal integration for both countries. Progress in U.S.-Taiwan relations would ensure access to wider Asia-Pacific business regions, would aid the development of critical energy solutions and would promote faster economic growth.

Representative Gene Ward (HI) introduced a **Resolution Urging the Obama Administration to Launch Negotiations for a Free Trade Agreement with Taiwan**. Representative Ward re-emphasized the strategic importance of the U.S.-Taiwan relations and Taiwan's status as America's third largest trading partner.

The resolution passed unanimously without any amendments and was subsequently approved by ALEC's Board of Directors.

Mr. David Powers (Reynolds American, Inc.) introduced a **Resolution Urging the European Union to Remove Its Ban on the Sale of Smokeless Tobacco** which called for the removal of the EU-wide ban on snus products. He drew attention to EU studies which show a correlation between high sales of snus and a lower smoking rate and pointed out that snus is associated with fewer health risks than both cigarettes and other smokeless tobacco products. He also outlined the fact that restricting trade of such products is opposed to the founding principles of the EU which grant free movement of goods and services within the EU.

The resolution passed with one vote in opposition and was subsequently approved by ALEC's Board of Directors.

Roy B. Norton, Ph.D gave a report on **U.S.-Canada Relations**. The issues which are currently co-managed include water management, transportation, infrastructure and air quality but the two countries also adopted common security and defense strategy and are crucial partners in energy supply and economic recovery.

Canada, with the second largest oil reserves in the world is a secure source of imported energy and currently supplies the U.S. with imported petroleum, natural gas, uranium and hydroelectric power.

The U.S. and Canada currently have 80 treaty-level defense agreements including the Smart Border Accord which has proved to be of high importance in terms of smooth and efficient running of the border as well as in decreasing the risk of terrorist actions.

Dr. Norton called for the importance of defense, trade and strategic alliance to be reinforced.

Senator Val Stevens (WA) introduced the **Resolution on Open and Reciprocal Trade with Canada**. The resolution passed unanimously following one amendment and was subsequently approved by ALEC's Board of Directors.

Representative John E. Piscopo (CT) introduced a **Resolution Against U.S. Participation in International Agreement in Copenhagen**. Representative Piscopo expressed real concern about the validity of scientific methods used by the East Anglia Research Unit regarding official global temperature data since, as has previously been revealed, the data has been manipulated and destroyed.

Both the amended resolution and the additional amendment to the resolution concerning the debate about scientific methods and data used passed unanimously. The full amended resolution was subsequently approved by ALEC's Board of Directors.

In his presentation on **Good Governance Promotion in Iraq**, **Senator Curt Bramble (UT)** explained various reasons why and how the U.S. ought to be instrumental in educating newly elected Iraqi state legislators by training them in principles and good practices of governance, how to draft legislation and work effectively with the executive branch of their governments. He illustrated his points by describing his experiences working with the Baghdad Provincial Council in Iraq.

Representative Gene Ward introduced a **Resolution Establishing an American Legislative Exchange Council Democracy and Governance Program**. Representative Ward added that the five major legislative issues of the Iraqi government should also be addressed, namely unemployment, education, corruption, infrastructure and health care, respectively. He also suggested conducting this training of newly elected legislators partly in the U.S. and thus providing an example of good government practice.

A resolution to establish a good governance initiative unanimously passed the task force and was subsequently approved by ALEC's Board of Directors.

Senator Alexander X. Mooney (MD) introduced a **Resolution to Reform Export Control Regulation of Dual-Use and Defense Items**. Since further clarification on the issue was needed a motion to carry over the resolution was made and unanimously approved. An amended resolution was introduced and considered at an emergency meeting of the International Relations Task Force on June 24, 2010 and passed unanimously. This resolution is still awaiting ALEC Board approval at the writing of these minutes.

Federal Relations Working Group

Representative Daniel Greenberg introduced a **Resolution on Article V of the U.S. Constitution** calling for ALEC to educate about the merits of **calling an Article 5 convention** to amend the constitution. The resolution passed unanimously and was subsequently approved by ALEC's Board of Directors.

Resolution Calling for the Establishment of Reconstruction Opportunity Zones in Pakistan and the Elimination of US Tariffs on Pakistani Textiles

Submitted by: Member Punjab Provincial Assembly Ayesha Javed

Time and time again, increased trade and the economic growth this trade brings have proven much more successful than foreign aid in helping a country to achieve long-term stability. Further, stability in Pakistan is directly linked to achieving US objectives in Afghanistan. Therefore this resolution supports the Afghanistan and Pakistan Reconstruction Opportunity Zones Act of 2009 as it is currently stated in US Senate Resolution 496. Additionally, this resolution calls on the US Government to consider reducing tariffs on Pakistan's textiles which run about 10% and are about four times the average US tariff rate on imports from other countries.

Resolution Urging Congress to Pass a Ban on “Plain Packaging”

Submitted by: Ms. Brandie Davis (Philip Morris International)

Among the countries considering plain packaging bills are Canada, the UK and Australia, and if passed, plain packaging regulations could effectively deprive corporations of what is often their most valuable asset, their brand, trademark and/or logo. Much of this legislation is inconsistent with the various multilateral agreements that address intellectual property rights, such as the Paris Convention, the Trade Related Aspects of Intellectual Property (TRIPS) Agreement and the Technical Barriers to Trade (TBT) Agreement. Additionally, plain packaging legislation is inconsistent with the intellectual property provisions contained in the many bilateral free trade agreements into which the United States has entered. Compliance with plain packaging regulations would increase the risk of product counterfeiting thus reducing consumer confidence in the origins and quality of these products. A stated goal of plain packaging legislation is to decrease consumption of the product being plain packaged. However, there is mounting evidence that plain packaging has the opposite effect and actually increases consumption of plain-packaged products. This resolution calls on ALEC to oppose plain packaging bills in legislatures around the world.

Resolution Calling for Efforts to Reduce Counterfeit Pharmaceuticals Worldwide

Submitted by: Senator Curt Bramble (UT)

Counterfeit pharmaceuticals exact an unacceptable cost on people around the world. It is estimated that hundreds of thousands of people die each year from counterfeit drugs lacking the correct active ingredient and/or accurate dosage of the active ingredient, and counterfeit pharmaceuticals are projected to result in lost revenues of \$75 billion in 2010. This is money that pharmaceutical companies will not be able to devote to research and development of new medications. Strong regulations protecting drug patents are needed in many of the countries where counterfeit pharmaceuticals are particularly problematic. Although a number of countries with thriving counterfeit pharmaceutical operations have adequate regulations in place but, these regulations are not adequately enforced. This resolution calls for the U.S. and the other nations that have negotiated the Anti-Counterfeiting Trade Agreement to sign and ultimately ratify it. This resolution also calls on ALEC to partner with likeminded legislators and other officials working on intellectual property enforcement around the world to engage and work on establishing ways to counter the proliferation of counterfeit pharmaceuticals.

This serves as a shell resolution for the 35-day mailing. The full text for the resolution will be forthcoming.

Resolution in Support of Deepening U.S-Georgia Trade Relations

Whereas, the United States and Georgia signed the Charter on Strategic Partnership in January 2009; and

Whereas, Georgia has been developing its democratic and free market institutions for over a decade; and

Whereas, Georgia's achievements have been duly appreciated by relevant international agencies and institutions; and

Whereas, Transparency International's Corruption Perceptions Index shows considerable positive movement for Georgia to a ranking of 66 in 2009 from one of 133 in 2009; and

Whereas, the World Bank ranked Georgia 11 out of 183 in its Ease of Doing Business Index giving Georgia the highest ranking of all Central and Eastern European Countries; and

Whereas, Russia's invasion of Georgia in August 2008 and the subsequent worldwide economic crisis negatively affected Georgia's economy; and

Whereas, Georgia's positive economic reforms, including the privatization of state enterprises and the institution of a flat tax, have encouraged strong economic growth and foreign direct investment; and

Whereas, a significant segment of Georgian territory remains under Russian occupation in violation of international law and the 2008 ceasefire agreement between Georgia and Russia which was mediated by French (and then EU) President Nicolas Sarkozy; and

Whereas, the U.S. firmly supports Georgia's territorial integrity and sovereignty as evidenced by a statement made by the White House on June 24, 2010 calling on Russia "to end its occupation of the Georgian territories of Abkhazia and South Ossetia"; and

47 European and Central Asian nations; and
48

49 **Whereas**, strong economic growth and investment would provide the optimal environment for
50 Georgia to further strengthen its democratic institutions; and
51

52 **Whereas**, closer U.S. engagement with Georgia through trade negotiations would encourage
53 even greater reform in Georgia and build its capacity to further modernize and liberalize its
54 economy;
55

57 economic and trade relations with the country of Georgia and to start negotiations to enter into a
